

FIRST BIOQUANT LECTURE

Quantitative Analysis of Molecular and Cellular Biosystems

April 12 th, 2007

15.00

BIOQUANT

15.00

Welcome address

Prof. Dr. J. Wolfrum

Founding Director BIOQUANT

15.15

Greeting notes

Prof. Dr. J. Tröger

Vice-Rector Research and Structure
of the Medical Faculties of Heidelberg

Prof. Dr. Dr. h.c. mult. W. Jäger

Center for Modelling and Simulation
in Biosciences (BIOMS)

Prof. Dr. R. Eils

Systems Biology of Virus-Cell Interactions
(VIROQUANT)

Systems Biology of Signalling in Cancer
(SBCANCER)

15.45

Prof. Dr. M. Kirschner

Professor and Chair, Department of Systems Biology,
Harvard Medical School, Boston, MA USA

Propagated Waves of Scar/Wave Recruitment and Cell Motility
